Message:

Jesus was the gayest person to ever live, he came here to be nailed by a bunch of dudes. God is one weak pussy mother fucker (no really, he knocked up marry with himself hence the motherfucker part). All of you people are closeted queers and secretly have a mass butt-fucking meeting once a week on the sabbath. What y'all are doing is awesome because it lets the people on the fence know how fucking crazy and ignorant you people really are. I hope you all get framed for a crime and sent to prison where you receive free colonoscopies from a big dick bubba. Your cause is loosing and one day you will all be looked at with the same distaste as the racist pricks from the kkk. Just remember, satan is making Jesus his little bitch right now filling his ass with demon semen.
