

American Beauty

1. The main character Lester masturbates in the shower.
2. A high school girl calls another girl a "cunt."
3. Lester, 42 years old and married, lusts after Angela, the 16 year-old best friend of his daughter Jane. He flirts with Angela, kisses her, takes off her shirt exposing her breasts, and takes off her pants. He ultimately does not follow through with the seduction when she reveals she's a virgin.
4. Angela says this to Jane about Jane's father, Lester: "I bet he has a big dick. I would suck his big, fat dick, and then I would fuck him until his eyes rolled back in his head."
5. Man and his male "lover" are portrayed as "run-of-the-mill" next door neighbors.
6. Lester and an 18 year-old boy use drugs together.
7. Lester reaches between the legs of Angela while she is in the bathtub. She tilts her head back and moans.
8. Lester's wife cheats on him. She is shown with her legs spread and her lover mounting her, and then says, "Fuck me."
9. The one person that objects to the homosexual lifestyle is portrayed as a small-minded, brutal bigot who is really a closeted homosexual.
10. The closeted homosexual shoots Lester in the head.
11. There is rampant obscene and profane language (language, by the way, that teachers and students are prohibited from using).
