

## 'DEFEND MARRIAGE' L O B B Y   D A Y

Join IFI and Illinois families from around the state to take a stand to protect marriage, religious freedom, parental rights and the innocence of our children! Plan to bring your family and friends AND organize your church to support this second **Defend Marriage Lobby Day & Prayer Rally**.

Homosexual activists claim they will have thousands lobbying for same-sex marriage the day before our event. Will **YOU** rally and pray with God's people in support of His ordained institution? We hope to see you there!
