

# ILLINOIS LAWMAKERS

legalized "medical" marijuana in 2013.

There are now efforts in Springfield to decriminalize it.

The next step the marijuana lobby takes is  
legalization for recreational use.

**Misinformation is in abundance.**

**It is time for that to stop and for truths to be told.**

## COME HEAR THE TRUTH

about how this has unfolded in Arizona and  
Colorado – a preview of what Illinois can soon experience.

**Sally Schindel** will relate the story of her son Andy's addiction to marijuana and subsequent suicide in 2014. She tells his story to Help Andy Help Others, relating the risks and harms of marijuana use. She has studied the issues and visited dozens of marijuana dispensaries in AZ and in CO gathering knowledge about the industry and its practices.

She wants you to know the truths about the drug marijuana.
