

Christian Life in Exile

with Dr. Erwin Lutzer

This last election cycle in Illinois is an indictment of our culture's attitudes and beliefs. More and more of our neighbors, friends and family members are rejecting Biblical principles and values. **The challenges we face today**, and will face in the future, supersede politics.

Join us to hear from Dr. Erwin Lutzer as he teaches from his latest book, "The Church in Babylon," answering the question, "**How do we live faithfully in a culture** that perceives our light as darkness?" Dr. Lutzer will exhort us to **stand firm** while engaging our culture without compromise.
