

School Board CANDIDATE QUESTIONS

Stevenson HSD

Name: Aaron Glenn

School District Number: 125

Question 1) Should biological males who identify as female be able to use the girls bathrooms and locker rooms?

Answer: Absolutely Not. Not under any circumstance what so ever should a biological male be allowed in a locker room with biological females.

Question 2) Should school staff use the preferred pronoun and first name of a child who identifies as the opposite gender they were born with?

Answer: No

Question 3) Should biological boys compete against biological girls in school sports?

Answer: No. Boys and girls should never compete in any sport that relies on physical characteristics to create a competitive advantage. If however you are referring to a sport such as competitive target shooting or billiards, then yes, I believe boys have no competitive advantage and it is fair for everyone to compete against each other.

Question 4) Should students and employees be forced to mask and get vaxxed to attend government schools?

Answer: Forced to wear masks and get vaccinated for covid 19, Absolutely Not. I would however say there are benefits to getting vaccinations which have been PROVEN to eradicate diseases and have been used for decades with little to no side effects.

Question 5) Should children be taught there are more than two genders?

Answer: No, let's not confuse sexual preference and gender.

Question 6) Should families be able access a portion of state education funding to use for educational expenses, including private school tuition, tutoring, curriculum, and supplies?

Answer: Absolutely. If the government can take a portion of your taxes to use towards education, then you should be allowed to determine where those funds are used to provide the greatest benefit to the people living on the property in which those taxes were assessed.

Question 7) Do you support or oppose Governor Pritzker's plan to increase Illinois taxpayer-supported education funding by 6.2% in 2024?

Answer: I would oppose any plan of Governor Pritzker which would increase taxes on Illinois families and would instead encourage the budget be balanced before any new taxes are introduced.

Question 8) To increase equity, should school districts eliminate honors classes?

Answer: No. We should not restrict students from accelerating because others are not as capable. Anyone who has ever seen a simple bell curve should understand standard deviation. People are not all the same. Regardless of how many people or what you are measuring, someone will be at the top, someone will be at the bottom and most people will be somewhere in the middle.

Question 9) Should school nurses or other school staff be prohibited from helping students obtain an abortion during or after school hours?

Answer: Absolutely. I don't believe school staff should be assisting minors with life altering medical decisions without the parents knowledge.

Question 10) Should school administrators be required to notify the parents of students who have expressed concerns about their gender identity?

Answer: Yes, I think it is definitely the schools responsibility to notify parents of their child's well being. Whether the issue is drug use, depression or gender identity, it would be difficult for a child to get the help they need without notifying their parents.
