Question 1) Should biological males who identify as female be able to use the girls bathrooms and locker rooms?

Answer: Biological males should never be allowed in girls bathrooms or locker rooms.

Question 2) Should school staff use the preferred pronoun and first name of a child who identifies as the opposite gender they were born with?

Answer: The decision should be made by the parents, student and teaching staff as to how to best handle the situation.

Question 3) Should biological boys compete against biological girls in school sports?

Answer: I believe sports should remain separate according to biology.

Question 4) Should students and employees be forced to mask and get vaxxed to attend government schools?

Answer: It is unconstitutional to force any American to mask or receive a vaccine.

Question 5) Should children be taught there are more than two genders?

Answer: No, because it goes against science and human design.

Question 6) Should families be able access a portion of state education funding to use for educational expenses, including private school tuition, tutoring, curriculum, and supplies?

Answer: Tax payers should be entitled to the best education for their kids. If that means that their assigned school is not sufficient to meet their child's needs, then tax money should be made available to provide a better option.

Question 7) Do you support or oppose Governor Pritzker's plan to increase Illinois taxpayer-supported education funding by 6.2% in 2024?

Answer: I do not support Pritzker's platform or plans for education or any tax increases to push those plans.

Question 8) To increase equity, should school districts eliminate honors classes?

Answer: Eliminating honors classes goes directly against "equity" by removing fair educational opportunities for any students who seek to advance their skills and knowledge and obtain transferrable college credits.

Question 9) Should school nurses or other school staff be prohibited from helping students obtain an abortion during or after school hours?

Answer: Teen pregnancies are strictly family issues and any counselling or medical assistance should be obtained by the parents or guardians of the pregnant teen and biological father.

Question 10) Should school administrators be required to notify the parents of students who have expressed concerns about their gender identity?

Answer: Yes. Gender Dysphoria is a real and very serious medical/psychological condition that requires disclosure to the parents or guardians as any other issue that is revealed by the students.
