Usama K Dakdok

Specialist in Islam &
Evangelism to Muslims

- Is the Jewish state an illegal occupier of the "Land of Palestine?"
- What lies are students being taught about Israel & Palestine?
- Are today's Palestinians descendants of the original inhabitants of the land?
- What is the "Promised Land" in the Qur'an & Bible?
- And finally, what's the true source of the horrific hatred of the Jews and Christians in the Middle East?

Join us to better understand the answer to the question,

"Israel or Palestine?" from a Biblical and historical perspective, from an expert on Islam, the Bible, terrorism, and the Middle East.

In response to the nonsense going on in our culture, IFI is thrilled to bring Usama Dakdok back to the southside of Chicagoland to present on this very important topic!

This is something all Christians, Americans, supporters of Israel and anyone who wants to have a better understanding of what is behind the Hamas attack, the war against Israel, and the growing threat of anti-Semitism in the U.S. and abroad.

Usama Dakdok is an Egyptian born, Christian raised, Arabic and English-speaking minister and founder of The Straight Way of Grace Ministry. He specializes in evangelism to Muslims and has translated the Qur'an from Arabic to the first true and accurate English translation called "The Generous Qur'an."

This is a FREE event so please invite many friends and family!

And bring your pre-teens and teens. They need to hear these truths to counter what is being taught in government schools and broadcast in the media.

Please also consider coming prepared to support Usama's ministry:
The Straight Way of Grace.
