

GENERAL ELECTION – Nov 5, 2024

We Have No Excuse!

If you are a citizen of the United States, **you have a responsibility to participate in the political process by voting.** Millions of people around the world do not have the gift of self-government. We should strive to be good stewards of this gift.

As Christians, we have a responsibility to ensure that we elect people of good character who will work to promote good and oppose bad public policy. Voting affords an opportunity to bring truth to the public square: namely, respect for the dignity of all human life and the promotion of Judeo-Christian values.

We have no good reason not to vote in the upcoming primary election. Voting has never been as easy and convenient as it is now.

- ★ **Vote by Mail:** When you are unable to vote on Election Day, you can **vote by mail**. You must apply for an absentee ballot through your election clerk. Most will allow you to download the application from their web site. You can apply for a vote by mail ballot online starting August 7th.
- ★ **Early Voting:** Registered voters may cast a ballot prior to Election Day without having to provide a reason for wanting to vote early. This ballot is cast by personal appearance at the office of the election authority or at an early voting center. Early voting runs from September 26th through November 4th. Identification is required.
- ★ **Grace Period Registration & Voting:** Grace period registration and voting is available to those who were unable to register (or early vote) prior to the close of registration. The grace period registration is from from October 9th to November 5th at certain locations only.
- ★ **Election Day:** On November 5th polls are open from 6 am – 7 pm.
