- HB 1786 – Maura Hirschauer (D):** Creates a task force to study the possibility of implementing ranked-choice voting beginning in 2029. **Status:** *in Rules Committee.*

OPPOSE *continued...*

- HB 1815 – Curtis Tarver (D):** Expungement of records of a minor if that minor has committed an act which if committed by an adult would constitute a criminal violation of the Cannabis Control Act or Drug Paraphernalia Control Act. **Status:** *in Rules Committee.*
- HB 1929 – Camille Lilly (D):** Amends the Human Rights Act. Makes it a civil rights violation for any person to inquire into another person's criminal conviction record prior to making a conditional offer to sell, lease, or rent property to that person; and to refuse to sell, lease, or rent the property. **Status:** *rereferred back to the Rules Committee.*
- HB 2381 – Laura Faver Dias (D):** Requires 4 hours of LGBTQ+ inclusivity training for all school board members. **Status:** *in the Rules Committee.*
- HB 2431 – Nabeela Syed (D):** Establishes ranked-choice voting for Illinois executive officers. Provides that votes proceed in rounds until a winner is found. **Status:** *in Rules Committee.*
- HB 2679 – Margaret Croke (D):** Amends the Criminal Code to protect abortion clinics as “vital public facilities” (but *not* churches or pregnancy care centers) from “terrorist acts.” Catholic Vote tracks abortion activist attacks on Catholic churches. They have recorded over 400 since 2020. In the last year 90 pregnancy care centers have been set on fire, firebombed and vandalized. In addition, peaceful protesters have been arrested and sentenced to jailtime. **Status:** *in Judiciary – Criminal Committee.*
- HB 2706 – Lisa Hernandez (D), SB 2305 – Omar Aquini (D):** Amends the Illinois Trust Act to strengthen, in a number of ways, the ban on Illinois law enforcement officers from cooperating in any way with federal immigration officials. **Status:** *in Rules Committee and Assignments Committee respectively.*
- HB 2718 – Maurice West (D), SB 1484 – Omar Aquino (D):** Creates the Facilitating Voting By All Eligible Citizens Act. Requires all citizens to vote in a general election regardless of whether they are registered to vote. **Status:** *in Rules Committee.*
- HB 2723 – Abdelnasser Rashid (D), SB 2462 – Mike Porfirio (D):** Anti-Israel bills that allow companies boycotting Israel to do business with our pension system that were previously prohibited. **Status:** *in International Relations Subcommittee.*
- HB 2793 – Nicholas Smith (D):** Amends the School Code. Teacher evaluation ratings on record as “unsatisfactory” will be considered “ineffective,” while “excellent,” “proficient,” or “needs improvement” will be considered “effective.” **Status:** *in Rules Committee.*
- HB 2827 – Terra Costa Howard (D):** Homeschooled students must register with the local public school; requires proof of immunizations, parent teachers must prove a high school education. Failure could result in fines and jailtime. **Status:** *passed out of committee but the sponsor was unable to get the 60 votes needed at this time to call it for a vote in the House.*
- HB 2904 – Dagmara Avelar (D):** Creates the Health Care Transparency Act. Provides that the Department of Public Health shall identify reproductive health care services, LGBTQ health care services, and end-of-life health care services and develop an education and awareness program regarding how denial of care may negatively impact health care access and quality. (Ironically, the aforementioned services end life, not provide access to quality healthcare.) **Status:** *in Rules Committee.*
- HB 2929 – La Shawn Ford (D):** creates state-sponsored drug houses, pilot sites where people can consume pre-purchased drugs and obtain needles, syringes, snorting and smoking kits to use on site under supervision. **Status:** *sent back to Rules Committee.*
- HB 2960 – Laura Faver Dias (D):** requires schools to teach mental health as part of health class with state-defined topics and materials. **Status:** *sent back to Rules Committee.*
- HB 2992 – Theresa May (D):** Creates the Healing Opportunities through Psilocybin Equity Pilot Program Act. Psilocybin is a hallucinogenic found in a certain variety of mushrooms. It produces hallucinations. Notice the name of the bill. It's straight out of the “medical” marijuana playbook. HB 2992 provides immunity from criminal and civil liability for licensees with respect to manufacturing, delivery, and possession of psilocybin products. If this is good for Illinois, why would they need an immunity from liability clause? **Status:** *in the Cannabis & Intoxicating Products Subcommittee.*
- HB 3023 – Margaret Croke (D):** Allows for a \$10,000 award and attorney fees for private cause of action to be filed by a person who merely “fears that, ... violence will be committed against them...” **Status:** *passed out of committee, but was rereferred back to the Rules Committee.*
- HB 3049 – Mary Edly-Allen (D) – senate sponsor:** Allows 2 people to marry themselves without an officiant. **Status:** *passed in House; in Senate Assignments Committee.*
- HB 3055 – Barbara Hernandez (D):** Prohibits denial of a state grant or scholarship to an illegal student. **Status:** *in Rules Committee.*
- HB 3057 – Sonya Harper (D):** DEI policies to be implemented in State-supported institutions of higher learning. **Status:** *in Rules Committee.*
- HB 3061 Sonya Harper (D), HB 3513 Justin Slaughter (D), SB 1772 – Kimberly Lightford (D):** Allows for counties/municipalities to be issued a temporary event license to sell marijuana and cannabis paraphernalia. **Status:** *House bills in Rules Committee, Senate bill was rereferred back to Assignments Committee.*

- HB 3163 – Jaime Andrade (D):** Makes it a Class 3 felony for anyone to disclose personal information of an abortionist. **Status:** *passed out of committee but was rereferred back to Rules Committee.*
- HB 3247 – Karina Villa (D):** prohibits public schools from denying free education and programs to students that are here illegally; allows aggrieved parties to file civil lawsuits and be awarded damages. **Status:** *Signed into law.*
- HB 3279 – Anna Moeller (D), SB 1846 – Graciela Guzman (D):** Provides state covered abortion services to illegals. **Status:** *in Rules and Assignments Committees respectively.*
- HB 3287 – Hoan Huynh (D), HB 3780 – Barbara Hernandez (D):** Provides healthcare for all. **Status:** *in Rules Committee.*
- HB 3315 – Rita Mayfield (D):** Prohibits mental health professionals from counseling adults who want to overcome same-sex attraction and gender identity confusion. **Status:** *in Rules Committee.*
- HB 3355 – Carol Ammons (D):** Election authorities may mail all qualified voters vote by mail ballots. **Status:** *in Ethics and Elections Committee.*
- HB 3489 – Rachel Ventura (D) senate sponsor:** Redefines the “practice of pharmacy” to include assessment and consultation of patients and the dispensing of emergency contraception, otherwise known as the morning after pill, an abortifacient, and be paid for by tax dollars through Medicaid. **Status:** *Signed into law.*
- HB 3518 – Will Guzzardi (D), SB 2391 Celina Villanueva (D):** Decriminalizes/legalizes prostitution and expunges criminal records. **Status:** *in Rules and Assignments Committee respectively.*
- HB 3626 – Justin Slaughter (D):** Permits expungement of prostitution charges. **Status:** *in Rules Committee.*
- HB 3637 – Karina Villa (D) – senate sponsor:** Amends numerous health care laws. Prohibits the Illinois Department of Health from taking disciplinary action against a person who has had their license, registration, and/or permit revoked from another state as a result of violating the state’s laws against certain procedures, such as abortions. Additionally, a drug **not** approved by the Food & Drug Administration, but one that has been recommended by the World Health Organization shall **not** be deemed an adulterated drug, even if the drug’s labelling reflects prior approval that is no longer in effect. **Status:** *Signed into law.*
- HB 3709 – Celina Villanueva (D) – senate sponsor:** Mandates that public colleges and universities provide access to health care professionals who prescribe contraception and abortion pills; allows university pharmacies to dispense contraception and abortion pills. Removes the requirement that the university pharmacy enter into a referral agreement with a tertiary medical care facility with obstetrics and gynecological services in the event of complications. **Status:** *Signed into law.*
- HB 4039 – Lindsey LaPointe (D):** takes the “overdose-prevention-site” pilot program and builds the extensive state bureaucracy to support and expand it in anticipation of its “success.” **Status:** *sent back to Rules Committee.*
- HB 4192 – Kelly Cassidy (D):** gives free college tuition to dishonorably discharged service members who lost federal aid due to Trump’s reversal of transgender military policies. **Status:** *in the Appropriations (Higher Ed) Committee.*
- HB 4301 – Daniel Didech (D):** Expands “school student record” to include written/electronic communications (and attachments) sent to or from a student’s parent/guardian/family member that are maintained by the school and relate to education, health, safety, discipline, or “well-being.” This is a gross invasion of family privacy and it broadens what can be considered in an “official record.” **Status:** *in Elementary & Secondary Education Committee.*
- HB 4304 – Katie Stuart (D):** Creates a Higher Education “Student Bill of Rights” that includes “inclusive and safe learning environment,” “equal access,” “free expression,” “right to organize,” “peaceful protest,” based on race, ethnicity, sexual orientation, gender identity, etc. As we read this, it would very likely allow the presence of biological men in women’s private spaces and sports. **Status:** *passed out of committee and moving to the House Floor.*
- HB 4370 – Anne Stava (D):** creates a confidential process for change of name on the basis of gender identity. Violating the confidentiality provisions can trigger lawsuits. **Status:** *in Constitutional & Family Law Subcommittee.*
- HB 4425 – Anne Stava (D):** prohibits hospitals and medical personnel from sharing information about minors receiving gender transition therapy, creating a legal conflict with investigating agencies. **Status:** *in the Human Services Committee.*
- HB 4554 – Laura Faver Dias (D):** Prohibits public funds going to any organization (including religious) that provides counseling for a person who suffers from unwanted same-sex attraction or gender confusion; discriminates against churches, religious organizations, free speech, religious liberty, and due process. **Status:** *passed out of committee and moving to the House Floor.*
- HB 4596 – Dave Vella (D):** creates “health misinformation response units” consisting of people recruited and trained by the government through government grants to identify “health misinformation” and correct it with a government-approved narrative. Subsequent violations could land you 5 years in prison and up to \$25K in fines. **Status:** *in Public Health Committee.*

- HB 4606 – Laura Faver Dias (D):** creates an invasive statewide newborn home-visiting program for short-term services and parenting advice. **Status:** *passed out of committee and moving to the House Floor.*
- HB 4714 – Will Davis (D):** a companion bill to the mandatory mental health screening in public school bill that has been signed into law, SB 1560. It requires that those involved in screening children “reflect a diversity of sexual orientation.” It also expands youth representation by mandating inclusion of LGBTQ students. **Status:** *passed out of committee and moving to the House Floor.*
- HB 4825 – Dagmara Avelar (D):** allows minors to obtain birth control with zero parental involvement, treating minors as legally equivalent to adults. It cuts parents out completely from a major medical issue. **Status:** *in the Executive Committee.*
- HB 4834 – Adriane Johnson (D):** removes testosterone, mifepristone, misoprostol, GnRH analogues, and estrogen from the Prescription Monitoring Program, a state-run system that lets doctors and pharmacists see what drugs a patient has already been prescribed, mainly to prevent abuse and dangerous interactions. But in this case, to remove records of transgender hormone therapy and medical abortions. These prescriptions will no longer be tracked or visible to other providers plus it requires deleting some existing testosterone prescription records. During debate, Dr. William Hauter (R-Morton) forcefully said this bill will definitely harm patients. **Status:** *passed in House; in Senate Assignments Committee.*
- HB 4839 – Celina Villanueva (D):** deletes the requirement of a fetal death certificate for disposing of aborted or miscarried fetal remains of less than 20 weeks gestation. Directs the Department of Public Health to create a form to obtain a permit for disposal of remains; requires the local registrar to seal the form; and prohibits the funeral director from keeping a copy. This disgraceful bill treats human remains as nothing more than garbage. **Status:** *passed in House; in Senate Assignments Committee.*
- HB 4855 – Janet Yang Rohr (D):** forces schools to provide social-emotional learning instruction at least 4 times a year in grades K-12. Social-emotional learning is about manipulating and conditioning America’s youth to hold the values and beliefs that the education establishment wants to instill in them. **Status:** *in the Education Policy Committee.*
- HB 4966 – Kelly Cassidy (D):** huge expansion of DCFS. Youth can have a say-so of where they’re placed based on the youth’s needs and characteristics as defined under the Illinois Human Rights Act (i.e. sexual orientation, gender identity, etc.). Prohibits counseling those under DCFS care who struggle with unwanted same-sex attraction or gender confusion. Expands out-of-state placements. **Status:** *passed in House; in Senate Assignments Committee.*
- HB 5022 – Sonya Harper (D):** allows abortion providers to operate inside of birthing centers, expands who can perform abortions and loosens restrictions on midwives. It also removes child-neglect triggers of drug-exposed newborns and reporting of test results. **Status:** *in Health Care Availability & Accessibility Committee.*
- HB 5095 – Mary Beth Canty (D):** expands gender designation policies in state systems by allowing people to choose “X” instead of male/female on IDs and allows updates to gender via a simple form. **Status:** *in the State Government Admin Committee.*
- HB 5295 – Celina Villanueva (D):** locks down abortion-related medical information and keeps it inside Illinois. It requires health data systems to hide that information and then restrict when and how it can be shared—especially with out-of-state entities. **Status:** *passed in House; in Senate Assignments Committee.*
- HB 5408 – Anna Moeller (D):** creates the Abortion Access Fund Grant Program to pay for abortions, for which federal funds are prohibited, for uninsured and underinsured women. **Status:** *passed in House; in Senate Assignments Committee.*
- SB 20 – Kimberly Lightford (D):** Regulates the manufacturing and sale of “hemp-derived intoxicating products” .. “after which the product is considered cannabis.” **Status:** *in Assignments Committee.*
- SB 42 – Curtis Tarver (D) – house sponsor:** Prohibits law enforcement from stopping and inspecting a car based on the odor of cannabis; removes the requirement of storing cannabis in an odor-proof container. **Status:** *passed in the Senate and out of a House Committee, but was sent back to the Rules Committee.*
- SB 1224 – Lakesia Collins (D):** Creates the Fantasy Sports Consumer Protection Act as another way to expand and tax gambling. **Status:** *rereferred back to the Assignments Committee.*
- SB 1259 – Graciela Guzman (D):** Mandates insurance coverage for standard fertility preservation services such as IVF. **Status:** *in Insurance Committee.*
- SB 1266 – Karina Villa (D):** An illegal immigrant can file a petition, with no time limitations, to void a conviction or sentence due to his/her inability to understand the adverse immigration consequences of the conviction. **Status:** *in Assignments Committee.*
- SB 1516 – Mike Simmons (D):** Fees for a State ID shall be waived for a transgender person and family from out of state fleeing persecution. **Status:** *in Assignments Committee.*
- SB 1520 – Kimberly Lightford (D):** Provides state loans and grants for cannabis businesses, including loan forgiveness, to “social equity applicants.” **Status:** *in Assignments Committee.*

SB 1560 – Lindsey LaPointe (D): requires students in grades 3-12 to be screened for mental health issues in public school. Many of the professionals in the organizations that will do the screenings are those that believe a boy can be a girl. **Status:** *Passed and signed into law.*

SB 1565 – Mary Edly-Allen (D): Allows civil action including libel and defamation for distribution of political materials to affect the outcome of a campaign. **Status:** *in Assignments Committee.*

SB 1638 – Adriane Johnson (D): Allows expungement or sealing of certain criminal offenses to prevent extradition to another state. **Status:** *in Assignments Committee.*

SB 1810 – Willie Preston (D): Training opportunities for educators to teach Black English. **Status:** *in Assignments Committee.*

SB 1881 – Karina Villa (D): Bans schools and employees from cooperating with federal immigration officials. **Status:** *in Assignments Committee.*

SB 1950 (House Floor Amendment 2) – Robyn Gabel (D): Legalizes physician-assisted suicide by lethal drugs. **Status:** *Passed and signed into law.*

SB 1995 – Graciela Guzman (D): Prohibits a data collector from disclosing immigration status of an Illinois resident. **Status:** *in Assignments Committee.*

SB 2004 – Laura Murphy (D): Allows ranked-choice voting. **Status:** *referred back to the Assignments Committee.*

SB 2033 – Celina Villanueva (D): The Attorney General shall publish policies that limit assistance with immigration enforcement to the fullest extent possible, and provides “safe zones” which include schools, libraries, hospitals, nursing homes. **Status:** *in Assignments Committee.*

SB 2065 – Karina Villa (D): Provides free education for illegals. Prohibits the school from disclosing immigration status to immigration agencies. **Status:** *in Assignments Committee.*

SB 2158 – Rachel Ventura (D): Any 2 candidates, regardless of party affiliation, who receive the most votes in a primary election shall proceed to the general election ballot. **Status:** *in Elections Committee.*

SB 2202 – Graciela Guzman (D): prohibits public colleges from having policies that would discipline students or faculty members for speech that would otherwise be protected under the First Amendment on campus or off campus, no matter how offensive or controversial. It also allows faculty or staff or students to sue the universities and colleges if their “rights” are violated. **Status:** *deadline extended to May 8th.*

SB 2251 – Ram Villivalam (D): Amends the Human Rights Act to prohibit discrimination based on immigration status. **Status:** *in Assignments Committee.*

SB 2772 – Rachel Ventura (D): creates a statewide advisory board to start laying the groundwork for legal psilocybin use in Illinois. Psilocybin is a psychedelic and a Schedule 1 Drug, which means there’s a high potential for abuse, no currently accepted medical use in treatment, and a lack of accepted safety for use even under medical supervision. **Status:** *deadline extended to May 8th.*

SB 2805 – Karina Villanueva (D): creates a nursing home, assisted living and home health care “Bill of Rights” as it pertains to sexual orientation, gender identity, and gender expression. Misgendering and keeping records that conflict with a person’s perceived gender could result in legal action by residents or their representatives. **Status:** *deadline extended to May 8th.*

SB 2820 – Laura Fine (D): prohibits Illinois law enforcement agencies from hiring ICE immigration officers. **Status:** *in Assignments Committee.*

SB 2897 – Celina Villanueva (D): prevents companies from collecting, storing, or sharing immigration or citizenship status data. **Status:** *in AI and Social Media Committee.*

SB 3105 – Mary Edly-Allen (D): prohibits state funding for “conversion therapy” which is counseling therapy for those who suffer from unwanted same-sex attraction or gender confusion. **Status:** *in Assignments Committee.*

SB 3138 – Sponsor TBD: This creates the framework for the bill passed last year that requires mental health testing in grade school starting in 3rd grade. It builds out the State’s Children’s Mental Health Partnership and pulls in BEACON data for statewide monitoring, giving it a bigger role in shaping policy and oversight, so it’s not just advisory. It mandates LGBTQ representation from youth and community stakeholders. The people who believe a boy can be a girl will be overseeing mental health screening of your children. **Status:** *passed in Senate; in House Rules Committee.*

SB 3341 – Graciela Guzman (D): allows minors to consent to contraceptive services or supplies with no parental consent. **Status:** *deadline extended to May 8th.*

OPPOSE *continued...*

SB 3966 – Graciela Guzman (D): Prohibits Illinois from receiving privately-donated federal money in the One Big Beautiful Bill earmarked toward tutoring and other academic needs for public and private school students. **Status:** *deadline extended to May 8th.*
