RECOMMENDED PURCHASES

Speaking for the Unborn: 30-Second Pro-Life Rebuttals to Pro-Choice Arguments by Steven A. Christie, M.D., J.D. This comprehensive book is systematically laid out with clear and concise rebuttals that include their sources. This book, a four-part video tutorial and downloadable videos and photos can be accessed at SpeakingForTheUnborn.com. (The book alone is available at Amazon.com.)

Victims and Victors: Speaking Out About Their Pregnancies, Abortions, and Children Resulting from Sexual Assault edited by David C. Reardon, Ph.D.; Julie Makimma, and Amy Sobie – This book provides studies, personal testimonies, a sample interview with a reporter and much more. (Available at Amazon.com.)

Heritage House '76 (pro.life):

- Precious One: 8-week fetal models (one per attendee) (Plus more for distribution later to those attendees who would like to take one home with a Bible verse card and a card describing that level of development.)
- Precious One: 10-week fetal models (one per attendee)
- Precious One: 12-week fetal models (one per attendee)
- Precious One: (more than you have attendees) blanketed 12-week fetal models

Please note: The fetal models that are made in bulk (weeks 8, 10 and 12) are available only in ethnic (black) and white. The ones without blankets (one set of all three stages per attendee) are to be distributed right before the prenatal video and collected at the end of the session.

- Touch of Life, 1st Trimester, Educational Version – fetal model kit
 - weeks 7, 8, 9 & 10
 - available in black, brown and white
- Touch of Life, 2nd and 3rd Trimester (Main Set) -- fetal model kit
 - weeks 12, 16, 22 & 26
 - available in black, brown and white

Please note: The brown ones in the 1st trimester kit are very light. They can pass as white, Asian, Hispanic, etc., although they are actually the same color as the brown ones in the 2nd and 3rd trimester kits.

FYI: Heritage House '76 has a very wide array of educational pamphlets that are very informative and well documented.

Fearfully & Wonderfully Made book (Available from answersingenesis.org.) illustrates the miracle of human life and that every baby is made in the image of God from the moment of fertilization. It includes a 41.5" foldout timeline of The Journey of Life Before Birth.

Supplies to accompany fetal models to be distributed (taken home):

- 8.5" x 11" cardstock for inserts with distributed preborn fetal models (Please note: 65 lb. and lighter cardstock tend to work well in printers. The weight would be stated on the package.)
- Clear snack bags purchased at gfs.com are sufficiently tall to accommodate the printed card and 12-week blanketed fetal model.
- 3" x 4" resealable clear bags (available at Amazon.com) for 8-week fetal models

TEMPLATE DOWNLOADS from illinoisfamily.org/ProLifePresentations

- Template for Insert for 8-Week Preborn: Bible verses on both sides
- Template for Insert for 12-Week Blanketed Preborn: Bible verses and description of development of a 12-week preborn (to be printed double-sided on cardstock — cut to 6 1/8" x 2 3/4" per card — and inserted in snack bags with blanketed fetal models)
